Tips for a strong Social Media Manager resume

- Include quantifiable achievements (e.g., follower growth, engagement rate, impressions, conversions).
- Add links to your LinkedIn and a portfolio showcasing campaigns, creatives, or analytics dashboards.
- Tailor the resume to the job description by highlighting relevant platforms, tools, and industries.
- Keep the resume to one page if you have less than five years of experience, and use action verbs such as *managed*, *optimized*, *launched*, *increased*, and *analyzed*.
